

# Su Nadin-Davis presents: SCARCE & RARE CANADIAN TOKENS

Hi! Once again, I'm pleased to present for your interest a selection of the better tokens from collections we acquired during the Spring season. Terms are as usual, 7-day return privilege, please add \$1.85 if registration required and 75c postage on all orders. 18% discount for U.S. funds, we accept VISA and personal checks. Please remember I'm always interested in buying scarce tokens and trade dollars and other quality numismatic material. A subscription to our catalogues (at least 7) and exnumia auctions for the remainder of 1982 costs just \$4 to CATC members whose subscription starts in May. Why not write today!
